March 31, April 1-2, 1960

The fifth Illinois Town and Country Art Show reflects continuing interest of Illinois residents in art and craft work.

University of Illinois art jurists selected 204 pieces at 22 local shows for this exhibition. There are 184 different exhibitors from 45 widely scattered Illinois counties represented in the show.

We are proud to present the work of the amateur artists of Illinois. The response to the project is most gratifying. Many of the paintings are for sale at the prices indicated. Arrangements for purchase should be made with the artist.
